1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show he was reimbursed for lodging in the amount of \$1,620.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 10 June 2025 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. On 9 January 2017, Petitioner enlisted in the U.S. Naval Reserve for 8 years with an Expiration of Obligated Service of 8 January 2025.

b. Petitioner discharged with an honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 11 April 2017 to 10 April 2022 upon completion of required active service.

c. In accordance with reference (b), Reimbursement While En Route from Home or Permanent Duty Station (PDS) to Temporary Duty (TDY) Location. Lodging reimbursement is based on the actual cost of lodging, limited to the lodging portion of the locality per diem rate at

the TDY location or at the stopover. The Meals and Incidental Expenses (M&IE) for the departure day is 75% of the M&IE rate of the traveler's stopover point or TDY location that night if lodging is used. If the traveler is traveling overnight and does not use lodging, the M&IE rate is based on the rate at the next destination.

d. In accordance with reference (c), Basic Allowance for Housing (BAH) is paid for housing within the United States. Assignment to Government quarters affects a Service member's eligibility for BAH. A housing allowance, other than BAH-Partial or BAH-Diff, is generally not authorized for a Service member who is assigned to Government quarters appropriate to the Service member's grade, rank, or rating and adequate for the Service member and dependents, if any. See section 8.0 for rules regarding assignment to Government quarters. 8.1.1. Assignment or Termination of Government Quarters. The commander responsible for the Government quarters has the authority to assign and terminate the assignment of Government quarters. The commander also determines when quarters are adequate and suitable for assignment based on appropriate directives. Government quarters or housing facilities under the Uniformed Services' control are considered assigned, suitable, and adequate whenever occupied by a Service member at the PDS without payment of rental charges. This includes any of the following conditions: 8.1.1.1. When an organization or institution furnishes quarters to a Service member without charge on behalf of the United States.... A Service member without a dependent entitled to basic pay is authorized BAH or Overseas Housing Allowance (OHA) in the situations specified in Table 26-19 and as otherwise specified in this paragraph. Ordinarily BAH or OHA is based on the Service member's PDS and paid when adequate Government quarters are not provided at the PDS.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (3), the Board finds the existence of an injustice warranting the following partial corrective action. The Board concluded that when Petitioner was selected for transition to TAR conversion, he was directed to reenlist within 30 days and upon reenlistment, was required to report to her local NRA for further direction. Petitioner reported to his NRA, which was over 50 miles from his residence, and reenlisted for a period of 4 years into the TAR program onto active duty. Because no barracks were available, Petitioner was entitled to and received BAH. However, his commanding officer erroneously directed Petitioner to check into the Navy Lodge utilizing his Government Travel Charge Card. Petitioner was placed in financial hardship due to the difference in his housing entitlement and what he was charged, due to no fault of his own. Because the Board does not calculate the amounts due, the Board determined that partial relief in the form of an orders modification with a line of accounting authorizing per diem is warranted. Petitioner will need to submit a supplemental travel claim to determine what reimbursement is authorized.
