On 22 January 2025, you provided a statement to the Board and asserted the following: "Justification for request. a. It appears an administrative oversight occurred during my transition from ██████████ to ██████████. The following processes were not initiated: 1. A secretarial waiver request for Basic Allowance for Housing (BAH) at PSD ██████████, given the disestablishment of ██████████. 2. A request for a modification to my orders to reflect PSD ██████████ as my permanent duty station (PDS). 3. Supporting documentation to validate my daily commute between my authorized residence in ██████████, and PSD ██████████."

You requested to receive BAH-Single for [REDACTED] vice [REDACTED] from 6 June 2008 to 9 February 2010, the Board in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. The Board concluded that orders [REDACTED] transferred you from [REDACTED] to [REDACTED]. You received BAH at the without dependents rate for your PDS beginning June 2008. You assert that because you were transferred to [REDACTED] and spent 99% of your tour working from there and commuting from your residence that you were entitled to BAH based on the [REDACTED] rate. However, the Board determined that you received the correct BAH based on the PDS listed in orders [REDACTED]. Your record does not contain orders for a transfer, and there is no record of a request for BAH at the [REDACTED] rate in 2008 or at any time in the 17 years since. Therefore, the Board determined there is insufficient evidence to warrant a change to your record.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

4/23/2025
