

Dear [REDACTED]

In accordance with MARADMIN 164/24 published on 1 April 2024, this MARADMIN announces changes to reference (a). This update to the FY24 SRB Program supports the Service's evolving retention culture based on Fleet Marine Force requirements, providing Marines with proven

performance and desired skills an opportunity to reenlist earlier in their careers. Eligibility. This MARADMIN broadens the reenlistment eligible population and provides amplified kicker information as detailed below: 3.a.(1). Marines whose expiration of current contract is in FY24 and FY25 (1 October 2023 to 30 September 2025).

On 4 June 2024, you signed a Reenlistment Extension Lateral Move Request (NAVMC 11537) for a 48-month reenlistment. The Commanding Officer recommended approval of the request on 12 August 2024.

On 15 August 2024, your Careerist Active Duty Reenlistment request was submitted and approved by HQMC on 19 August 2024.

On 21 August 2024, you reenlisted for 4 years and 5 months with an ECC of 20 January 2029.

In accordance with MARADMIN 483/24 published on 9 October 2024, this MARADMIN announces the SRB Program, and the Broken Service SRB Program authorized for enlisted Marines reenlisting in FY25. Marines with an ECC from 10 October 2024 to 30 September 2025 were encouraged to thoroughly review the contents of this MARADMIN. Zone D PMOS Bonus Eligibility. zone D applies to those active component Marines with 14 to 18 years of active military service. Marines with exactly 18 years of active service on the date of reenlistment may be paid a zone D PMOS bonus if they have not previously received a zone D PMOS bonus. Furthermore, a zone "D" SRB for MOS 2336, E-7 and above which is capped at \$15,000 for 48 months of additional obligated service was authorized.

You requested to receive a zone D SRB for PMOS 2336 in the amount of \$15,000 under MARADMIN 483/24, the Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that on 4 June 2024, you signed NAVMC 11537 for a 48-month reenlistment and you reenlisted on 21 August 2024 knowing that you did not rate an SRB under MARADMIN 278/23, which was still in effect. MARADMIN 483/24 authorized a zone D SRB for your PMOS, however it was published until 9 October 2024, several weeks after your reenlistment. The Board determined that you are not eligible for an SRB for your reenlistment on 21 August 2024, and a change to your record is not warranted. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

Sincerely,

5/15/2025
