Dear **[REDACTED]**,

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 5 February 2025. After careful and conscientious consideration of the entire record, the Board found that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. Specifically, you failed to provide the Board with a sufficient explanation for your delay in submitting an application within a reasonable time, and you did not provide evidence to corroborate your entitlement to a bonus for the 30 October 1981 reenlistment. Moreover, in reaching this conclusion, the Board determined that non-payment of a reenlistment bonus could not be verified because of the time elapsed from your 30 October 1981 reenlistment.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

2/8/2025
