

Docket No. 238-25
Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 20 March 2025. The Board determined your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. In your application, you requested “to know if [you] should have been medically retired instead of just separated” because you have been determined to be 100% disabled. In reviewing your application, the Board, noting you were discharged in April 2009, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board determined your request should be denied due to the length of time since your honorable discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

4/2/2025
