Docket No. 870-25
Ref: Signature Date

Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 20 March 2025. In your application, you requested “medical discharge under honorable conditions” but stated “N/A” as your response in block 15 of the DD Form 149 to “why should this correction be made.” In reviewing your application, the Board, noting you were discharged in November 1991, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board determined your request should be denied due to the length of time since your entry level separation.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

4/2/2025
