

Docket No. 1427-25
Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 10 April 2025. In your application, you requested¹ an increase in your disability rating. You contend that you now have proof of an injury that occurred in 1978, and you were exposed to many hazardous chemicals during your assignment at the [REDACTED] Naval Hospital pharmacy. In reviewing your application, the Board, noting you were placed on the Temporary Disability Retired List (TDRL) in May 1980, observed you did not provide an explanation for your failure to submit your application in a timely manner. Thus, the Board determined your request should be denied due to the length of time since your placement on the TDRL.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

4/17/2025

¹ The Board noted you do not specifically state your requested relief. However, based on your DD Form 149 and the supporting documentation, the Board interpreted your statement to be impliedly requesting an increase in your disability rating.
