Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 10 April 2025. Your application did not set forth a reason for the delay in its submission. After careful and conscientious consideration, the Board determined you provided insufficient reason to find it in the interest of justice to excuse your failure to submit your application in a timely manner. In reaching its decision, the Board determined your request should be denied due to the length of time since your discharge from the Marine Corps in 1999. Additionally, for the purposes of characterization of service and description of separation, you were authorized an uncharacterized entry level separation due to your separation within the first 180 days of continuous active military service.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

4/15/2025
