Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

Although your application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider your case on its merits. A three-member panel of the Board, sitting in executive session, considered your application on 28 August 2025. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Commander, Navy Personnel Command memorandum 1000 PERS-312/SA of 12 March 2025, which was previously provided to you for comment.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

In accordance with MILPERSMAN 5010140 of July 1984, Home of Record (HOR) means the place recorded as the home of the member when commissioned, reinstated, appointed, reappointed, enlisted, reenlisted, inducted or ordered into a relevant tour of active duty. The HOR is used for the purpose of determining travel and transportation allowances or other compensations provided by law when entitlement thereto is based on the HOR at the time of entry into service, or call to active duty.

The HOR remains unchanged during a tour of active duty or enlistment regardless of changes in the member's home address during the tour of active duty or enlistment...Any request for a correction of the HOR must be submitted by the member and be fully substantiated by proof that the place requested to be designated as the HOR was the actual home on call to active duty, enlistment or reenlistment.

Your Record of Military Processing – Armed Forces of the United States (DD Form 1966) block 4 (HOR address) listed [REDACTED], block 14 (Valid Driver's License) [REDACTED], block 15 (Place of Birth) listed [REDACTED], and block 22(3) (Name of School) L [REDACTED] and block 22(4) [REDACTED].

Your Enlistment/Reenlistment Document Armed Forces of the United States (DD Form 4) block 3 (HOR) listed [REDACTED].

Your Navy Standard Integrated Personnel System/Electronic Service Record, Member Data Summary Information (Personal Information) lists HOR as [REDACTED].

[REDACTED] issued Navy College Center a Transcript of Academic Record located at [REDACTED]. Transcript was for the Summer and Fall of 2006.

You were separated with an honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 23 August 1999 to 7 December 2009 upon completion of required active service. Furthermore, block 7b (HOR at time of entry) listed [REDACTED].

You requested to change your HOR from [REDACTED] to [REDACTED]. The Board, in its review of relevant portions of your naval record and application, carefully weight all potentially mitigating factors, to include your assertions. You assert that the HOR listed on your DD Form 214 is an oversight error, however the Board found no error with the HOR listed on your DD Form 214. The HOR is recorded as the home of the member when commissioned, reinstated, appointed, reappointed, enlisted, reenlisted, inducted or ordered into a relevant tour of active duty. Your DD Form 1966 lists your HOR address as [REDACTED]. Your DD Form 214 lists HOR at time of entry as [REDACTED], as does your DD Form 4. Furthermore, your DD Form 214 shows that you entered active duty in [REDACTED]. The Board found no evidence that you entered active duty in [REDACTED], therefore the Board determined that there is no error or injustice to warrant a change to your record. In this connection, the Board substantially agreed with the comments contained in the aforementioned advisory opinion.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

9/4/2025
