(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner's reenlistment on 17 November 2024 was for a term of 5 years vice 3 years.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 28 August 2025 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to the Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 3 March 2009, Petitioner enlisted in the U.S. Naval Reserve for 8 years with an Expiration of Obligated Service of 2 March 2017.

b. Petitioner was released from active duty and transferred to the Naval Reserve with an honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 17 August 2009 to 21 October 2016 upon completion of required active service.

c. On 22 October 2016, Petitioner reenlisted for 4 years in the inactive U.S. Naval Reserve with a new contract expiration date of 21 October 2020.

d. On 7 August 2020, Petitioner reenlisted for 4 years in the inactive U.S. Naval Reserve with a new contract expiration date of 6 August 2024.

e. On 9 July 2024, Navy Standard Integrated Personnel System/Electronic Service Record shows a 9-month agreement to extend enlistment with a new contract expiration date of 6 May 2028.

f. In accordance with reference (b), an eligible individual is any member in the uniformed services who, on or after 1 August 2009, is eligible for the Post-9/11 GI Bill per reference (b) and who, at the time of approval of the individual's application to transfer his or her unused Post-9/11 GI Bill entitlement: a. Has served at least six years (active duty and/or SELRES), b. Is eligible per all statutes, Department of Defense (DoD), and Service policies, to be retained four additional continuous years in the uniformed services, and c. Agrees to serve at least four additional years from the date the individual is approved to transfer.

g. On 17 November 2024, Petitioner reenlisted in for 3 years in the inactive U.S. Naval Reserve with a new contract expiration date of 16 November 2027.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board determined that Petitioner was eligible to reenlist on 17 November 2024 for 5 years, however he reenlisted for the required 3 years to receive SRB. If Petitioner had reenlisted for 5 years, he would have had the required time on contract to carry him to 20 years of service and utilize his GI Bill for his children.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's immediate reenlistment contract (NAVPERS 1070/601) executed on 17 November 2024 is for a term of 5 years vice 3 years.

Note: This change will establish a new contract expiration date of 16 November 2029.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
