Dear [REDACTED],

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 20 November 2025. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by Commander, Navy Personnel Command memorandum 1000 PERS-312/SA of 22 April 2025.

In accordance with MILPERSMAN 1000-100 published on 21 November 2015, NAVSO P-6034, Joint Travel Regulations, the home of record (HOR) and or place from which called or ordered to active duty [PLEAD] are used to determine a member's entitlement to travel and transportation allowances or other compensations provided by law. To support these entitlements, these places will be documented (as prescribed below) and must not be changed, except as authorized. The place recorded as the Service member's home when commissioned, appointed, enlisted, inducted, or ordered into a tour of active duty. b. The place recorded as the Service member's home when reinstated, reappointed, or reenlisted remains the same as that recorded when commissioned, appointed, enlisted, inducted, or ordered into the tour of active duty, unless there is a break in service of more than 1 full day. Note: Only if a break in service exceeds 1 full day (more than 24 hours) may the member change the HOR.

On 22 June 2020, you/witness signed a Record of Military Processing - Armed Forces of the United States (DD Form 1966) block 4 (HOR Address) listed [REDACTED]
[REDACTED], block 14 (Valid Driver's License) [REDACTED], block 15 (Place of Birth)
[REDACTED], and block 22a (Education)/22a(3) (Name of School) [REDACTED]/22a (4)
(Location) [REDACTED]

On 22 June 2020, you enlisted for 8 years in the U.S. Naval Reserve. Furthermore, your Enlistment/Reenlistment Document Armed Forces of the United States (DD Form 4) block 3 HOR listed [REDACTED].

On 8 September 2020, USMEPCOM PCN 680-3ADP, PROCESSEE/ENLISTEE RECORD listed Personal address as [REDACTED].

Your Navy Standard Integrated Personnel System/Electronic Service Record of 16 July 2025 reflects your HOR as [REDACTED].

You requested to change your HOR from [REDACTED], the Board, in its review of relevant portions of your naval record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board agreed that a HOR is recorded as the home of the member when commissioned, reinstated, appointed, reappointed, enlisted, reenlisted, inducted or ordered into a relevant tour of active duty. Your DD Form 1966 lists your HOR address as [REDACTED]. Thus, the Board found insufficient evidence to change your HOR. The Board thus concluded that there is no probable material error, substantive inaccuracy, or injustice warranting corrective action. Accordingly, given the totality of the circumstances, the Board determined that your request does not merit relief.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

11/26/2025
