

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

Docket No. 2824-25
Ref: Signature Date

Dear [REDACTED]

This is in reference to your Application for Correction of Military Records, DD Form 149, dated 15 March 2025. In your application, you request that the Board for Correction of Naval Records (Board) correct your record by granting an Enlisted Remedial Selection Board.

Our records reflect that your request was previously considered and denied in the enclosed Docket No. [REDACTED]. When a request for corrective action is denied by the Board, sitting in executive session, new and material evidence or other matter not previously considered must be submitted to have the Board reconsider its decision. After a careful review of your application and attachments, the Board is unable to find sufficient new evidence, other matters not previously considered by the Board, or material not available when you submitted your previous application.

In view of the foregoing, there is no action for the Board to adjudicate at this time. Accordingly, your case has been administratively closed. However, you are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. It is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

6/6/2025
