

**DEPARTMENT OF THE NAVY**

BOARD FOR CORRECTION OF NAVAL RECORDS

701 S. COURTHOUSE RD

ARLINGTON, VA 22204

[REDACTED] Docket No. 3498-25

Ref: Signature Date

[REDACTED]

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 25 September 2025. In your application, you sought to have your longevity retirement changed to a service disability retirement. You contend it would be in the interest of justice to excuse your failure to submit your application in a timely manner because you only recently learned that your retirement should have been a disability retirement and not a longevity retirement. After careful and conscientious consideration, the Board determined this was an insufficient reason to find it in the interest of justice to excuse your failure to submit your application in a timely manner. In reaching its decision, the Board determined your request should be denied due to the length of time since your retirement from the Navy in 2011. Thus, the Board was not willing to waive the three-year statute of limitations, and determined your request should be denied due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

11/21/2025
