Ref: (a) 10 U.S.C. § 1552

Encl: (1) DD Form 149 w/enclosures
(2) NAVMC 118(11) Administrative Remarks, 3 Jan 25

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected by removing enclosure (2).

2. The Board, consisting of █, █, and █, reviewed Petitioner's allegations of error and injustice on 18 February 2026, and pursuant to its regulations, determined the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval records, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds the following:

a. On 3 January 2025, Petitioner signed a Page 11 entry requesting "to resign my commission in the Marine Corps Regular component effective 26 June 2026 . . ." Enclosure (2).

b. In his application, Petitioner stated, his intention was to pursue a civilian graduate degree. He misunderstood the terms of his contract and accepts responsibility for the mistake. Petitioner would like the entry removed for future applications and promotion boards. Enclosure (1).

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting relief.

The Board noted that the Page 11 entry was properly prepared and filed in accordance with reference (b). The Board also noted that Petitioner does not have an end of active service date,
