

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

Docket No. 5555-25
Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 28 May 2025. In your application, you requested placement on the Permanent Disability Retired List with retroactive retirement pay and full benefits. You contend that since your 2015 discharge due to ulcerative colitis, the Department of Veterans Affairs has rated you as 100% disabled which indicates you “should have been medically retired, not separated with severance.” The Board, noting you were discharged in December 2015, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board determined your request should be denied due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

6/9/2025

Deputy Director
