Dear █

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 13 January 2026. The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. In reviewing your application, the Board, noted you were discharged from active duty in November 1986, observed you did not provide a sufficient basis to excuse the failure to submit the application in a timely manner and was not willing to waive the three-year statute of limitations due to the length of time since your discharge. Thus, the Board determined your request should be denied.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

1/15/2026
