Dear ██████████

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552, in which you requested to make your frocking to E-7 permanent and a DD Form 215.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 28 August 2025. You ask that the Board consider your assignment as Lead Machinist Mate while deployed. You claim that you served proudly as a Chief Petty Officer for just under two years before his discharge. In reviewing your application, the Board observed that you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board was not willing to waive the three-year statute of limitations since the date of discovery, and determined your request should be denied due to the length of time since your voluntary separation on 21 May 1990.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

9/12/2025
