Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 24 June 2025. The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. In your application, you request “an honorable medical determination instead of the erroneous enlistment along with any other changes that [you] may qualify [for].” You contend you received a waiver for your left ankle injury incurred while in the delayed entry program but “[t]hey marked it as enlisted in error.” The Board, noting you were discharged in January 1987, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board was not willing to waive the three-year statute of limitations since the date of discovery, and determined your request should be denied due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

7/7/2025
