█
Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552, in which you requested promotion to Major/O-4 during Fiscal Year 1990 Promotion Selection Board.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, reconsidered¹ your application on 28 August 2025. The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. In reviewing your application, the Board observed that you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board was not willing to waive the three-year statute of limitations since the date of discovery, and determined your request should be denied due to the length of time since your retirement in 1991.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

9/12/2025
