Encl: (1) ASN (M&RA) Memo, subj: Group Application Pursuant to 10 U.S.C. §1552(b) – Similarly Harmed Veterans Administratively Separated Based Solely upon their Sexual Orientation with less than a Fully Honorable Characterization of Service since 1 January 1980

(3) DD Form 214  
(4) NAVPERS 1070/607, Court Memorandum, 28 January 1994

1. In accordance with subsection (b) of reference (a) and the terms of the settlement agreement in the case of *Farrell, et. al. v. U.S. Department of Defense, et. al.*, as implemented by reference (b), the Assistant Secretary of the Navy (Manpower and Reserve Affairs) (ASN (M&RA)) filed enclosure (1) with the Board for Correction of Naval Records, hereinafter referred to as the Board, on behalf of a group of similarly harmed Sailors and Marines whose DD Form 214 reflects that they were discharged due to their sexual orientation with less than a fully honorable characterization of service. The Subject, hereinafter referred to as Petitioner, filed enclosure (2) with the Board, thus opting in to this group application review. A preliminary review of enclosure (3) revealed that Petitioner met the criteria for inclusion in this group application.

2. A three-member panel of the Board, meeting in executive session, conducted an individualized review of the Subject's naval record on 18 September 2025, and found sufficient evidence of an injustice warranting the corrective action recommended in paragraph 5 below. Documentary material considered by the Board included the enclosures; relevant portions of the Subject's naval record; and applicable statutes, regulations, and policies, to include references (c) and (d).

3. Factual Background. Following are the relevant facts of Petitioner's case based upon review of his naval record:

a. Petitioner enlisted in the U.S. Navy and began a period of active duty on 12 March 1990. See enclosure (3).

b. On 28 January 1994, Petitioner received nonjudicial punishment in violation of Article 125, Uniform Code of Military Justice (UCMJ).<sup>1</sup> His punishment consisted of 45 days of restriction, 45 days of extra duties, forfeiture of \$500.00 pay per month for two months, and reduction in rank to E-3. See enclosure (4).

c. On 25 February 1994, Petitioner was discharged with a General (Under Honorable Conditions) (GEN) characterization of service with a narrative reason for separation of "USN Homosexual Act".<sup>2</sup> See enclosure (3).

4. Conclusions.

a. In accordance with reference (c), the Board should normally grant requests to change the narrative reason for a discharge, requests to re-characterize the discharge to honorable, and/or requests to change the reentry code to an immediately-eligible-to-reenter category when both of the following conditions are met: (1) the original discharge was based solely on the former "Don't Ask, Don't Tell" (DADT) or similar policy in place prior to enactment of DADT, and (2) there were no aggravating factors in the record, such as misconduct. While the record shows one nonjudicial punishment; however, the discharge was based solely on the Petitioner's sexual orientation. Accordingly, the Board found Petitioner's case falls within the general guidance of reference (c).

b. In accordance with reference (d), the Board considered, amongst other factors, that homosexuality is now permitted within the military and that a current Service member under the same circumstances today would therefore reasonably expect to receive a more favorable outcome than Petitioner received; that Petitioner's performance marks were well above those required for a fully honorable characterization of service, that although there was one nonjudicial punishment in Petitioner's record, he was solely discharged due to his sexuality; that Petitioner concealed his sexual orientation for the noble purpose of volunteering to serve his Nation; and the passage of time since Petitioner's discharge. Based on these factors, the Board determined that equitable relief is warranted in the interests of justice.

c. The Board also found an injustice in the fact that the narrative reason for separation reflected on Petitioner's DD Form 214 includes a reference to his sexual orientation. Due to his narrative reason for separation, Petitioner must disclose personal information regarding his sexual orientation and/or previous sexual activity whenever he has cause to prove his military service for whatever reason. Other Marines are not required to reveal such personal information when providing evidence of their former military service. This constitutes an unreasonable burden and violation of Petitioner's privacy interests.

---

<sup>1</sup> Petitioner committed sodomy.

<sup>2</sup> Petitioner's record is incomplete in that it does not contain all of the documents pertinent to the administrative separation processing.

5. Recommendation. Based upon the conclusions in paragraph 4 above, the Board recommends the following corrective action be taken on Petitioner's naval record:

- a. That Petitioner be issued a new DD Form 214 reflecting that his service ending on 25 February 1994 was characterized as "Honorable"; that his narrative reason for separation was "Secretary Plenary Authority"; that his separation authority was "MILPERSMAN 3630900"; that his separation code was "JFF"; and that his reentry code was "RE-1."
- b. That Petitioner be issued an Honorable Discharge Certificate.
- c. That a copy of this record of proceedings be filed in Petitioner's naval record.
- d. That no further corrective action be taken on Petitioner's naval record.

6. It is certified that quorum was present at the Board's review and deliberations and that the foregoing is a true and complete record of the Board's proceedings in the above titled matter. I have assured compliance with the provisions of reference (e).

7. Pursuant to the delegation of authority set out in reference (e), the corrective action described above has been approved by the Board on behalf of the Secretary of the Navy in accordance with reference (a).
