1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to his eligible dependent children.

2. The Board, consisting of ██████████, ██████████, and ██████████, reviewed Petitioner's allegations of error and injustice on 23 April 2026 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available, beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. In accordance with reference (c), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election for those eligible for retirement after 1 August 2012. Additionally, Officers

were required to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System Electronic Service Record, agreeing to serve the required additional years of service prior to initiating their electronic transfer election. Furthermore, the policy directed members to periodically check the status of their application; a denied transfer of education benefits (TEB) application required member to take corrective action and reapply with a new service obligation end date.

c. On 22 May 1998, Petitioner entered active duty.

d. In February 2007, Petitioner married spouse, [REDACTED.] and had two children: [REDACTED.] born in 2008, and [REDACTED.] born in 2009.

e. On 22 January 2010, Petitioner submitted TEB application without completing the required NAVPERS 1070/613, Administrative Remarks and requested to allocate education benefits to spouse/6 months, first child/17 months, and second child/13 months. The Service rejected the application indicating, "Disapproved – SM [Service Member] has not committed to the required additional service time."

f. On 18 March 2025, Petitioner advised by Navy Personnel Command (PERS-311) in part that his 2010 TEB application was rejected for failure to complete the required NAVPERS 1070/613, Administrative Remarks.

g. On 10 April 2025, Petitioner approved for reassignment for humanitarian reasons. Petitioner reported to Navy International Program Office for duty.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in reference (c). Although Petitioner did not complete the appropriate administrative requirements, the Board surmised that had he received adequate counseling, he would have completed the required NAVPERS 1070/613, Administrative Remarks prior to submitting his TEB application on 22 January 2010. Moreover, Petitioner has completed over 16 years of active duty service after submitting his TEB application, thereby meeting the spirit and intent of reference (b). Therefore, the Board determined that under these circumstances, relief is warranted.

RECOMMENDATION

Petitioner, in coordination with his command completed the required NAVPERS 1070/613, Administrative Remarks on 22 January 2010 and submitted it to Commander, Navy Personnel Command for inclusion in the Petitioner's Official Military Personnel File.
