█

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 March 2026. In your application, you requested to have your narrative reason for separation from Disability – Existing Prior to Entry (EPTE) to reflect that you had a disability retirement effective 20 July 1982, or, for the Physical Evaluation Board (PEB) to review your records from your time in the Marine Corps in 1982 to adjudicate your fitness. In reviewing your application, the Board, noting you were discharged in 1982, observed you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

3/20/2026
