1. In accordance with subsection (b) of reference (a) and the terms of the settlement agreement in the case of *Farrell, et. al. v. U.S. Department of Defense, et. al.*, as implemented by reference (b), the Assistant Secretary of the Navy (Manpower and Reserve Affairs) (ASN (M&RA)) filed enclosure (1) with the Board for Correction of Naval Records, hereinafter referred to as the Board, on behalf of a group of similarly harmed Sailors and Marines whose DD Form 214 reflects that they were discharged due to their sexual orientation with less than a fully honorable characterization of service. The Subject, hereinafter referred to as Petitioner, filed enclosure (2) with the Board, thus opting in to this group application review. A preliminary review of enclosure (3) revealed that Petitioner met the criteria for inclusion in this group application.

2. A three-member panel of the Board, meeting in executive session, conducted an individualized review of the Subject's naval record on 13 January 2026, and found sufficient evidence of an injustice warranting the corrective action recommended in paragraph 5 below. Documentary material considered by the Board included the enclosures; relevant portions of the Subject's naval record; and applicable statutes, regulations, and policies, to include references (c) and (d).

3. Factual Background. Following are the relevant facts of Petitioner's case based upon review of his naval record:

a. Petitioner enlisted in the U.S. Navy and began a period of active duty on 26 August 1981. See enclosure (3).

b. On 3 June 1982, Petitioner received nonjudicial punishment (NJP) in violation of Article 92, Uniform Code of Military Justice (UCMJ). His punishment consisted of the forfeiture of \$100.00 pay per month for one month and 10 days of extra duties. See enclosure (4).

c. On 24 November 1982, Petitioner received a second NJP in violation of Article 86, Uniform Code of Military Justice (UCMJ). His punishment consisted of the forfeiture of \$200.00 pay per month for two months, reduction to paygrade E-2, and 30 days of extra duties. See enclosure (5).

d. In November 1982, Petitioner submitted a statement admitting to homosexuality. See enclosure (6).

e. By memorandum dated 14 December 1982, Petitioner was formally notified that he was being considered for administrative discharge by reason of homosexuality. See enclosure (7).

f. Petitioner acknowledged the notification referenced in paragraph 3e above and waived his procedural right to consult with counsel and to have his case heard before an administrative discharge board. See enclosure (8).

g. By message dated 22 December 1982, the separation authority directed Petitioner's discharge from the Navy by reason of homosexuality, with the characterization of service to be type warranted by service record (TWSR). See enclosure (9).

h. On 4 January 1983, Petitioner was discharged from the Navy under general (under honorable conditions) (GEN) conditions due to homosexuality. See enclosure (3).

4. Conclusions.

a. In accordance with reference (c), the Board should normally grant requests to change the narrative reason for a discharge, requests to re-characterize the discharge to honorable, and/or requests to change the reentry code to an immediately-eligible-to-reenter category when both of the following conditions are met: (1) the original discharge was based solely on the former "Don't Ask, Don't Tell" (DADT) or similar policy in place prior to enactment of DADT, and (2) there were no aggravating factors in the record, such as misconduct. While the record contains two instances of additional misconduct—specifically, two nonjudicial punishments: one for

failure to obey a lawful regulation and one for unauthorized absence from his appointed place of duty—the Board determined that this did not constitute a separate basis for administrative processing. Rather, the separation was solely based on Petitioner’s homosexual admission. Accordingly, the Board found Petitioner’s case falls within the general guidance of reference (c).

b. In accordance with reference (d), the Board considered, amongst other factors, that homosexuality is now permitted within the military and that a current Service member under the same circumstances today would therefore reasonably expect to receive a more favorable outcome than Petitioner received; that although there were two nonjudicial punishments in Petitioner’s record; he was solely discharge due to his sexuality; that Petitioner concealed his sexual orientation for the noble purpose of volunteering to serve his Nation; and the passage of time since Petitioner’s discharge. Based on these factors, the Board determined that equitable relief is warranted in the interests of justice.

c. The Board also found an injustice in the fact that the narrative reason for separation reflected on Petitioner’s DD Form 214 includes a reference to his sexual orientation. Due to his narrative reason for separation, Petitioner must disclose personal information regarding his sexual orientation and/or previous sexual activity whenever he has cause to prove his military service for whatever reason. Other Service members are not required to reveal such personal information when providing evidence of their former military service. This constitutes an unreasonable burden and violation of Petitioner’s privacy interests.

5. Recommendation. Based upon the conclusions in paragraph 4 above, the Board recommends the following corrective action be taken on Petitioner’s naval record:

a. That Petitioner be issued a new DD Form 214 reflecting that his service ending on 4 January 1983 was characterized as “Honorable”; that his narrative reason for separation was “Separation for other good and sufficient reasons when determined by the Secretary of the Navy”; that his separation authority was “BUPERSMAN 3850220”; that his separation code was “JFF”; and that his reentry code was “RE-1.”

b. That Petitioner be issued an Honorable Discharge Certificate.

c. That a copy of this record of proceedings be filed in Petitioner’s naval record.

d. That no further corrective action be taken on Petitioner’s naval record.

6. It is certified that quorum was present at the Board’s review and deliberations and that the foregoing is a true and complete record of the Board’s proceedings in the above titled matter. I have assured compliance with the provisions of reference (e).
