Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 18 December 2025. In your application, you seek to have your naval record changed to a medical disability discharge based on having a heart murmur that has turned into heart failure. In reviewing your application, the Board, noting you were discharged in October 2000, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board was not willing to waive the three-year statute of limitations since the date of discovery, and determined your request should be denied due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

12/30/2025
