enclosure (1) with the Board for Correction of Naval Records, hereinafter referred to as the Board, on behalf of a group of similarly harmed Sailors and Marines whose DD Form 214 reflects that they were discharged due to their sexual orientation with less than a fully honorable characterization of service. The Subject, hereinafter referred to as Petitioner, filed enclosure (2) with the Board, thus opting in to this group application review. A preliminary review of enclosure (3) revealed that Petitioner met the criteria for inclusion in this group application.

2. A three-member panel of the Board, meeting in executive session, conducted an individualized review of the Subject's naval record on 22 January 2026, and found sufficient evidence of an injustice warranting the corrective action recommended in paragraph 5 below. Documentary material considered by the Board included the enclosures; relevant portions of the Subject's naval record; and applicable statutes, regulations, and policies, to include references (c) and (d).

3. Factual Background. Following are the relevant facts of Petitioner's case based upon review of her naval record:

a. Petitioner enlisted in the U.S. Marine Corps and began a period of active duty on 8 August 1988. See enclosure (3).

b. On 17 April 1989, Petitioner provided a statement admitting to her homosexuality. See enclosure (4).

c. By memorandum dated 20 April 1989, Petitioner was formally notified that she was being considered for administrative separation from the Marine Corps by reason of homosexuality. See enclosure (5).

d. On the same date, Petitioner acknowledged the notification referenced in paragraph 3c above, elected her procedural rights to consult with counsel, and waived her right to an administrative discharge board hearing. See enclosure (6).

e. By memorandum dated 20 April 1989, Petitioner's commanding officer recommended she be discharged with a General (Under Honorable Conditions) characterization of service. See enclosure (7).

f. By memorandum dated 19 May 1989, a Staff Judge Advocate's review of Petitioner's case found the proceedings to be sufficient in law and fact. See enclosure (8).

g. By memorandum dated 23 May 1989, the separation authority directed that the Petitioner be discharged from the U.S. Marine Corps with a General (Under Honorable Conditions) (GEN) characterization of service by reason of homosexuality. See enclosure (9).

h. On 9 June 1989, Petitioner was discharged with a GEN characterization of service. See enclosure (3).

4. Conclusions.

a. In accordance with reference (c), the Board should normally grant requests to change the narrative reason for a discharge, requests to re-characterize the discharge to honorable, and/or requests to change the reentry code to an immediately-eligible-to-reenter category when both of the following conditions are met: (1) the original discharge was based solely on the former "Don't Ask, Don't Tell" (DADT) or similar policy in place prior to enactment of DADT, and (2) there were no aggravating factors in the record, such as misconduct. The Board noted that Petitioner's separation was based solely on her homosexual admission and that her record contains no evidence of misconduct. Accordingly, the Board found Petitioner's case falls within the general guidance of reference (c).

b. In accordance with reference (d), the Board considered, amongst other factors, that homosexuality is now permitted within the military and that a current Service member under the same circumstances today would therefore reasonably expect to receive a more favorable outcome than Petitioner received; that Petitioner's performance marks were well above those required for a fully honorable characterization of service, that there was no other in-service misconduct in Petitioner's naval record; and the passage of time since Petitioner's discharge. Based on these factors, the Board determined that equitable relief is warranted in the interests of justice.

c. The Board also found an injustice in the fact that the narrative reason for separation reflected on Petitioner's DD Form 214 includes a reference to her sexual orientation. Due to her narrative reason for separation, Petitioner must disclose personal information regarding her sexual orientation and/or previous sexual activity whenever she has cause to prove her military service for whatever reason. Other Marines are not required to reveal such personal information when providing evidence of their former military service. This constitutes an unreasonable burden and violation of Petitioner's privacy interests.

5. Recommendation. Based upon the conclusions in paragraph 4 above, the Board recommends the following corrective action be taken on Petitioner's naval record:

a. That Petitioner be issued a new DD Form 214 reflecting that her service ending on 9 June 1989 was characterized as "Honorable"; that her narrative reason for separation was "Secretary of the Navy Plenary Authority"; that her separation authority was "MARCORSEPMAN Par. 6214"; that her separation code was "JFF1"; and that her reentry code was "RE-1J."

b. That Petitioner be issued an Honorable Discharge Certificate.

c. That a copy of this record of proceedings be filed in Petitioner's naval record.

d. That no further corrective action be taken on Petitioner's naval record.

6. It is certified that quorum was present at the Board's review and deliberations and that the foregoing is a true and complete record of the Board's proceedings in the above titled matter. I have assured compliance with the provisions of reference (e).
