Dear █,

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 5 February 2026. In your application, you requested correction of enlistment record and discharge to reflect intended service as Electronics Technician (ET), removal of reenlistment bar, and recognition of constructive service culminating in symbolic retirement at rank of Captain (O-6). In reviewing your application, the Board, noting you were discharged in October 1969, observed you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. Thus, the Board determined your request should be denied due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

2/7/2026
