Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 22 January 2026. In your application, you requested placement on the permanent disability retired list due to the unfitting condition of hypertrophic cardiomyopathy. However, the Board, noting you were discharged in April 2012, observed you did not provide a basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

2/6/2026
