

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE RD
ARLINGTON, VA 22204

Docket No. 335-26
Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 March 2026. In your application, you requested placement on the temporary disability retired list or the permanent disability retired list after correction of your disability rating from 20% to 30% or higher. Further, you requested retroactive correction of your promotion to E-4; correction of your rank to reflect timely advancement to E-5; and removal of all adverse administrative counseling entries that were "signed under duress." In reviewing your application, the Board noted you were discharged in 2017 but you contend you did not discover the error/injustice until November 2025 because you were "unable to exercise [your] rights due to the environment which prevented you from safely exercising [your] right to appeal or seek proper evaluation." The Board considered your explanation but was unwilling to excuse the failure to submit your application in a timely manner and was also unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

3/30/2026
