To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER ██████████, USN,  
██████████

Ref: (a) Title 10 U.S.C. §1552

Encl: (1) DD Form 149 w/attachments  
(2) Naval Record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board) requesting that her reentry (RE) code of RE-4 be changed to RE-3.

2. The Board, consisting of ██████████, ██████████, and ██████████, reviewed Petitioner's allegations of error and injustice on 9 February 2026 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, the statute of limitations was waived in the interests of justice.

c. Petitioner enlisted in the Navy and began a period of active duty on 28 September 2005.

d. On 10 January 2006, Petitioner was seen by the Podiatry Clinic at Naval Station ██████████ ██████████ for pain in both of her feet.

e. On 11 January 2006, Petitioner was seen by ██████████ Medical Clinic and diagnosed with Hallux Valgus. Petitioner's condition was determined not to be correctable to meet Navy standards.

f. On 17 January 2006, Petitioner was notified of administrative separation processing on the basis of Defective Enlistments and Inductions – Erroneous Enlistment due to Hallux Valgus.

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER [REDACTED], USN,  
[REDACTED]

g. On 18 January 2006, Commanding Officer, Recruit Training Command forwarded a report of administrative separation for Petitioner, directing that Petitioner be separated with an Uncharacterized (Entry level Separation) with a reentry code of RE-4.

h. Petitioner was discharged from active duty on 25 January 2006. However, contrary to the notification of administrative separation processing, Petitioner was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) with a reason for separation and separation code that reflected a failed medical/physical procurement standards discharge.

#### CONCLUSION:

Upon careful review and consideration of all the evidence of record, the Board determined that Petitioner's request warrants relief.

The Board noted that the information in Petitioner's record indicates that she was notified of administrative separation processing on the basis of erroneous enlistment. Therefore, the Board concluded that Petitioner's DD Form 214 should be corrected to change her basis for separation from failed medical/physical procurement standards to erroneous enlistment.

#### RECOMMENDATION:

In view of the above, the Board directs the following corrective action:

That Petitioner be issued a new DD Form 214 reflecting, for the period ending 25 January 2006, Petitioner was discharged with a narrative reason for separation of "Erroneous Enlistment," SPD code of "JFC," and a reentry code of "RE-3E."

No further changes be made to Petitioner's record.

A copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
