Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552. Your application was not filed in a timely manner.

A three-member panel of the Board, sitting in executive session, considered your application on 5 February 2026. In your application, you requested to have your military records corrected “due to administrative error related to [your] separation following an injury sustained while serving on active duty orders as a Marine Reservist.” In reviewing your application, the Board, noting you discharged in 2016, observed you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

2/17/2026
