Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 March 2026. In your application, you requested changes to your DD Form 214 (Certificate of Release or Discharge from Active Duty) to reflect you received a medical separation and National Defense Service Medal. In reviewing your application, the Board, noting you discharged in 2007, observed you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

3/19/2026
