

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE RD
ARLINGTON, VA 22204

Docket No. 2626-26
Ref: Signature Date

Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 March 2026. In your application, you requested correction to your record to reflect eligibility for in-zone consideration for promotion to Chief Warrant Officer (CWO)-5 "during the applicable promotion cycle" and referral of your record to a special selection board (SSB). If a SSB was not practical, you requested your retirement grade be corrected to CWO5. In reviewing your application, the Board, noting you were retired in 2014, observed you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since you retired.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

3/30/2026
