Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 19 March 2026. In your application, you requested that your naval record be changed to reflect that your Hypertrophic Cardiomyopathy was an unfitting condition at the time of your medical evaluation board, and that you were placed on the permanent disability retired list effective 29 April 2012. In reviewing your application, the Board, noting you were discharged on 29 April 2012, observed you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner and was unwilling to waive the three-year statute of limitations due to the length of time since your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

4/4/2026
